

2024 Pave Maine Awards

MAPA's Pave Maine Awards recognizes exemplary quality asphalt pavements. All pavements — roads, highways, commercial parking lots — are eligible for a Pave Maine Award.

Eligibility and Guidelines:

1. The Maine Asphalt Pave Maine awards are open to all Maine asphalt producers and all Maine contractors who are **current** members of MAPA.
2. Entries will be based on project tonnage. There are 4 categories to choose from;
 - a. 0-500
 - b. 501-2,500
 - c. 2,501-9,999
 - d. 10,000- and above
3. Projects submitted must be substantially complete and open to traffic (meaning that there may still be work to be done, such as striping, guard rails, landscaping etc.) at time of submission. Only Maine projects are eligible.

Judging:

Entries are judged on 5 areas below. Please write a brief narrative on how the submission impacts the following (a paragraph or two);

1. Construction Techniques or Materials
2. Executing a Difficult or Challenging Job
3. Partnering with Your Client
4. Positive Impacts to the Community
5. Safety

Instructions:

1. Email five digital photos, suitable for publication (set camera for highest resolution possible) along with your application.
2. Brief narrative of the project including; Construction Techniques or Materials, Executing a Difficult or Challenging Job, Partnering with Your Client, Positive Impacts to the Community, Safety. Also include a one page summary about the project, companies involved and why the project deserves the MAPA Pave Maine Award.
3. Include a letter of support from the job owner/resident.
4. Submissions will only be accepted by email (info@maine-apa.org) . **All Submissions will be submitted via a PDF and will include all items in one document.** Please include in this order: Submission Form, Brief Narrative of the Project, Letter for support and 5 photos.
5. Winners in each category will present their project at the Annual Spring Paving Seminar, on April 9, 2024.
6. Questions? Email Tanya at info@maine-apa.org or call 557-0939.
